Asunto: Possibility of Extension of WDSF adjudicators licenses (education)

Dear National Member Bodies,
Dear Colleagues,

A number of WDSF adjudicators have already experienced that current coronavirus situation has a direct impact on the ability to fulfill the educational requirements of attending a Congress every two years to maintain their WDSF adjudicators license.

To support WDSF Adjudicators in this difficult time, as well as to save their time, resources and to protect their health, the WDSF Presidium has made a special decision to extend the validity of the Congress requirements from two to three years for adjudicators whose Congress education is due to expire in 2020.

The Congress requirement can be extended for one year from the date of its expiration. The fee for this extension is 60 euros.

Please note that this does not change the need to re-register and pay CHF100 on an annual basis for the WDSF Adjudicators license fee.

Instructions to extend the education validity.

1. Follow the link:

https://www.worlddancesport.org/Event/Congress/WDSF_License_extension_for_Adjudicators-Lausanne-22820

2. In the left column select - "Register".
(You must be logged in to be able to register)

3. Enter required information and pay the fee.

Note:

the education validity will not be extended automatically after the payment.

The WDSF Academy will confirm it manually after checking all the specified data.
